Rights Units Plan War on Repression

The Southern Christian Leadership Conference and the National Welfare Rights Organization yesterday announced joint plans for what they called a nationwide "war on repression," beginning next month.

They said plans include demonstrations in Las Vegas in March against cuts in state welfare; a mule train caravan to Wall Street April 4 to mark the slaying of the Rev. Dr. Martin Luther King Jr. three years ago; and participation in antiwar demonstrations here in May.

Marches on state capitols and other actions were to be planned by local groups.
